Manager Responsibilities:
(C.A.T.C.H.)

- **C**ommunicate:
  - Communicating with the parents throughout the season on a variety of topics including initial introductions, scheduling updates and other team updates as needed
- **A**vailability:
  - Being available for team games and/or practices throughout the week.
  - *Spring Schedule:*
    - 2-3 days a week
    - Tuesdays/Thursdays: 06:00pm – 08:00pm / Saturdays (times vary)
  - *Fall Schedule:*
    - 1-2 days a week
    - Tuesdays: 06:00pm – 08:00pm / Saturdays (times vary)
- **T**each
  - Teaching the kids game basics:
    - Game Rules
    - Fielding Positions
    - How to catch and throw the ball, how to hit
  - Don't worry, you don't need to be an expert on any of these. We have training resources available on our website as well as accessibility to our current coaches to help answer your questions!
- **C**oordinate:
  - Putting together your game line-ups and setting your practice plans
    - Information on how to set your game line-ups, including a line-up card can be found here
    - We have sample practice plans available on our website to help you look like an expert and maximize your practice time
  - Ensuring the team equipment is brought to the field for each game/practice
- **H**ave Fun:
  - Winning the game is good, but the most important responsibility you have as the Manager is to make the experience fun so the player wants to keep returning season after season.

You will also have support from your assistant coaches to help all the responsibilities listed above so you don’t have to go at it alone.
