FREE BASEBALL UMPIRE SCHOOL

UMPIRE SCHOOL - Starts Monday February 26th, 2024

Play It Again Sports in collaboration with North Kansas City Area Baseball League (NKCA) is pleased to announce a three week long Baseball Umpire School taught by experienced umpires. **There will be three 2 hour classes held from 6pm to 8pm on Monday evenings the nights of February 26th, March 4th and March 18th. Classes will be held at the Withers Mid-Continent Public Library located at 1665 South Withers Rd, Liberty, MO in the Community Room.** We will have class time and experienced umpires each week describing the job from real umpires with experience.

Each class will cover the rules, regulations, mechanics, game management, philosophy, and attitude toward the game of baseball. The class will be structured for new umpires as well as umpires with under 3 years experience. If you are an experienced umpire we want you too; your input is very important to all the new umpires.

This is a great way to earn extra money during the 2024 baseball season. The average pay rate for the Northland area is approximately $20 per hour depending on league and experience. Don't look for a summer job any longer, pass the class and this school will help you get a job in one or all of the many leagues around North Kansas City and Liberty. Teachers and students, your summer is off, make some extra money.

Free gear giveaways and discounts! Play It Again Sports will be providing umpiring gear giveaways at each of the classes and each participant will receive a Play It Again Sports discount upon course completion.
