IRVING BOYS BASEBALL ASSOCIATION

Parental Release for Player out of Age Group

Valid for a season Single Season

Please sign, date, and return this form to: IBBA League Director for the Age group where the player will be participating.

Attention: Parent(s) or Guardian(s)

This form is in regard to the request for a Player, named below, to play up out of his(her) normal age group for a season. The league has recently passed a rule to allow players to play up one age with the approval of the parent or legal guardian.

This form is intended to inform the parent of the possible competing ages if the player is approved to “Play Up”. Unless the League has sufficient number of players and teams to support age specific play the odd age teams and the even age teams will be placed in the same competing age groups for League Play.

If this occurs, and is most likely, the player could be competing with players up to three years older. As an example if an 8u player is requested to Play Up in 9U, they could be playing League Play in the 10U Division. This is normally for 9 and 10 year olds. In this case a player could turn 11 after the season starts based on the april 30 age determination date.

Your signature below indicates that you are aware of and agree to the terms stated above. Once this is approved the player will be bound to that team within the IBBA regular season for the season signed.

Season/Year:_____

Player Name:_____

Regulation Age:_____ Requested Age Group:_____
